Scarboro man held in murder of wife, body found in Cty.

GOODERHAM — A 22 year veteran of the Toronto Fire Department appeared in a Scarborough provincial court on Thursday, accused of killing his 43-year old wife. Keith Roderick Odwell, 45, a father of four, was remanded in custody for a week after a brief appearance on a charge of first degree murder.

Odwell reported his wife missing May 6th, a week after she was supposed to have left their Madrd Street home to visit a sister in Nelson, B.C.

She never arrived. The woman's body was found by police on Wednesday, July 2nd wrapped in bedding in a shallow grave, half a kilometre from the Odwell family cottage here.

Odwell, a firefighter assigned to duty on the William Lyon McKenzie harbour boat, was arrested at a Dundas St. East apartment on Wednesday, just hours after his daughter reported him missing.

Toronto police said it's believed the woman was killed at her home by blows to the head. They added that Mrs. Sheila Odwell had been suffering depression before her death and had a history of psychiatric problems.

Police got a tip on Wednesday about a body buried in the Haliburton area. Homicide police Sgts. Vaughan O'Toole, Joseph Woolfe, Harry Moon and St. Sgt. Edward Hill were sent to investigate along with members of the Emergency Task Force and OPP officers. After the arrest, Odwell was taken to the burial site as well.

The Odwell children range in age from 23 to 15. Mrs. Odwell is the city's 23rd homicide of the year, compared with 21 at this time last year.

Kennisis, Haliburton Lakes are site for college workshops

Craft and recreation-oriented workshops are being offered this summer at Kennisis and Haliburton lakes, which is the first time Sir Sandford Fleming College has operated courses at lake locations for vacationers and residents.

Administered by the College's Northern Campus in Haliburton, most workshops involve five mornings or afternoons during the week, and all are designed to complement other aspects of a vacation.

Included are offerings for both children and adults, from approximately mid-July to the first week of August.

The Haliburton Lake workshops include cake decorating, children's theatre, an exercise and dance program, mixed fibre arts, and windsurfing. With the exception of the windsurfing course, all will be held at the Haliburton Lake Community Centre.

Kennisis Lake workshops include cake decorating, children's theatre, an exercise and dance program, and mixed fibre arts, all of which will be held in buildings at the main gate of the Haliburton Forest and Wildlife Reserve. As well, children's pottery will be held at the Backwoods Pottery Studio, located on the north shore of Kennisis Lake, and windsurfing will be offered on the lake at Little Kennisis bridge.

Guild Choral Society opens Exhibition Sale

HALIBURTON — The 18th annual Summer Exhibition and Sale of Arts and Crafts opened on Friday evening at the Haliburton Highlands Senior Elementary School, to the music of the Guild's Choral Society under the direc-

tion of Mrs. Dorothy Kinsmen. Before a standing run crowd of hundreds, the choral group did many old favorites to the delight of young and old. More photos and story of the opening can be found inside this issue.

The Marathon of Hope — Terry Fox accomplishes dream

A lot of us have big dreams — things we see ourselves accomplishing — becoming rich, becoming famous, doing something really noticeable, doing something really worthwhile.

Most of us never try to put them into action. They're truly dreams and we never allow them to intrude into our "reality."

But what makes dreams even possible is that somewhere, every now and then, there is someone with the courage to really dare to do something big, to carry out a grandiose plan, to risk failure.

When we see someone doing something like that, we feel lifted, almost as if we're part of it, almost as if we were daring to try and do the things that we've always wanted to do.

This summer we're seeing such a unique effort. Terry Fox, a 21 year old student from Coquitlam, BC is running across Canada to raise money for cancer research. He's running inspite of the fact that he has only one leg — he lost his right leg to bone cancer three years ago.

And, he's having a tremendous impact on the whole nation. The Toronto Star has taken up his cause. The Four Seasons Hotel chain is running a call-in line to handle pledges and has pledged \$2 a mile — \$10,000 if he completes his 5,200 mile journey. The Alberta Parachuting Association has matched that and other companies and groups are expect-

ed to step forward. One Toronto lawyer raised \$2000 from his clients and a Toronto disc jockey raised twice that in 35 minutes from his listeners. Two men, Garth Walker of Mississauga and Jim Brown of Kings ton cycled from Toronto to Ottawa on Dominion Day to help raise money over a route that Fox won't be covering. And people everywhere are pledging their money to Terry Fox and fighting cancer.

Fox left St. John's, Newfoundland on April 12th and has been averaging 30 miles a day. He is now nearing Toronto via Highway 7.

Last weekend Terry landed in Havelock and was greeted by hundreds of people along the route from Madoc, Marmora and Norwood. He was then treated to a dinner in Havelock and presented with a plaque from a local craftsman, Charles Carpenter at a special ceremony.

All the money that Terry Fox raises here in Ontario and across the nation, goes to cancer research.

King Elvis at the Rockcliffe Hotel July 14

MINDEN — Roger Trueman brings his 'King Elvis' performance to the Rockcliffe Hotel here from July 14-19. The Elvis Presley impressionist, will be featuring the history of the late Elvis Presley from his truck driving days to the modern day Elvis. Trueman will also be doing some of his top 40 commercial hits.

Mr. Trueman was born in New Brunswick, but has lived most of his life in Toronto. During his high school years he did imitations of Elvis and Tom Jones at the school and at parties for his friends. People began telling him that he looked like the real thing, so he gathered together a band and went on the road.

To ensure that he would look as much like Elvis as possible, he dyed his hair. Don't forget next week its King Elvis at the Rockcliffe and it should be a great treat for all Elvis Presley fans in the area.

Constable is assaulted while investigating theft of boat

MINDEN — During an investigation into a stolen boat from the Hamilton-Oakville area, Minden OPP Constable Mike Maher observed a Brian Kenneth Williams, 20 of Oakville consuming beer on the west side of Hwy. 35 in the Dorset area. Following his arrest Williams assaulted Constable Maher in the cruiser. A further assault took place at the Minden hospital when Williams was receiving treatment as a result of breaking a beer bottle during the initial assault which severed an artery in his left hand.

Further police investigation was carried on in regards to the boat theft and as a result, a boat and trailer valued at \$10,000 was recovered from the bush in the Saskatchewan Lake area.

Investigation into the theft originated with the Halton Regional Police and they were assisted by PC Maher, Al Bibby and Al Barnes of the Minden

Detachment.

Charged with theft over \$200 by Halton Police are, Brian Kenneth Williams, (who is also charged with assault of a police officer) Gregory Scott Rutherford 17, Robert Paul Pouget 18 and Henry Martin Vanderbeek 17, all of Oakville. Court date for the above charge has been set for July 15 in Oakville.

(\$1.00 cover charge)

\$29,350 damage in four area collisions, OPP charge four

MINDEN — OPP were very busy this past week as they investigated 18 reportable collisions and 98 general occurrences. Three people were charged with liquor violations and two others were charged with impaired driving.

In four of the 18 collisions, one person suffered major injuries, two others received minor injuries, three drivers were charged as a result of the collisions and more than \$28,000 in damages were set.

MONTREAL WOMAN IS INJURED

Early Dominion Day morning, July 1st, about 11 am., a Montreal woman suffered major injuries and was taken to Minden hospital when her car was involved in a two vehicle collision on County Rd. 1.

Dale Leary 39, was eastbound when her car was hit by a westbound vehicle driven by John D. Morrow 22, of Burlington. Morrow apparently lost control of his car and collided with the Leary car on the south shoulder of the road.

Morrow suffered minor injuries in the mishap and has been charged by OPP with careless driving. Police report the Leary car received \$8500 in damage while Morrow vehicle suffered \$6000 damage. PC Brian Dunham.

LOCAL WOMAN CHARGED FOR CARELESS DRIVING

About 9:14 am., on Monday, June 30th on Hwy. 530 in the Township of Guilford, a two vehicle accident sent a Haliburton woman to hospital with minor injuries.

Valery Chafe 22, was driving her car eastbound when she lost control and entered the south ditch rolling over. A second vehicle, a car driven by Brian Fallick 33, of Toronto had his car damaged by the gravel thrown up by the first vehicle. Minden OPP report that Chafe has been charged with careless driving. Damages, \$2,750—\$2500 to the Chafe car.

PC Boyd Jarvis.

VAN SUFFERS \$7000 IN DAMAGES

A two vehicle collision in the Dorset area on July 4th resulted in one driver being charged by OPP while driving without an operators license and driving left of centre.

Gerald Irvine 23, of Aurora, was eastbound on County Rd. 8 near Dorset about 11 pm., in a 1976 van, when the vehicle and a car driven westbound by Paul Talbot 21, of Hamilton, sideswiped one another over a hill on a curve.

Police report damages at \$7900—\$7000 to the van. PC Boyd Jarvis.

\$6000 DAMAGE TO LOG TRAILER

On July 1st at 11 am., on County Road 7, a 1977 stake truck towing a trailer loaded with logs, suffered \$6000 in damages.

Roland Junop 44, of Golden Lake, was southbound when the trailer hitch broke and the trailer rolled onto its side. The truck suffered \$200 damage and police report no charges or injuries. PC Smith.

Guild of Fine Arts opens 18th annual Summer Exhibition

OIL PAINTINGS BY CARNARVON'S BOB MacBRIEN

HALIBURTON — Each year at this time the Haliburton Highlands Guild of Fine Arts stages its Summer Exhibition and Sale of Arts and Crafts. Last Friday evening, hundreds attended the official opening and the exhibition is scheduled to run until July 15th. It is the 18th year for their show.

The Arts and Crafts sale features everything from pottery to paintings, dolls, sculptures, wooden items, most of which is made by local people.

The award presentations were also held during the opening, following a beautiful performance put on by the Guild's choral society led by Mrs. Dorothy Kinsmen.

1980 award winners were Audrey Deremo, Barbara Joy Peel, Judy Chapman, Marie Wallace, Derek Smith, Audrey Grant, Debra Feir, Carole McLean & Barbara Wiggleworth.

A special award was presented this year, the Thilda Nevitt award and this coveted award, presented by Mrs. Nevitt was given to Christol Wille, for the Best Guild Award for Tapestry.

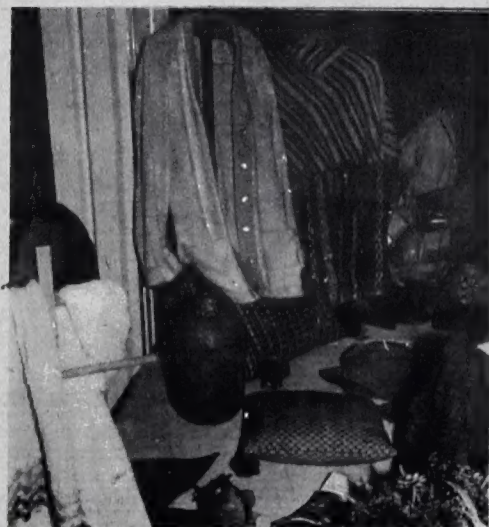

This year's \$50 award for the Ont. Crafts Council's design award went to Haliburton's Carole McLean for her exquisite sculptures.

Haliburton Highlands the heart of getaway country

Don't touch another thing until you read this ad.

The most important thing to remember when you're working with electricity is simply this: always keep a little common sense between you and your electricity.

Common sense means waiting until your lawn is dry before cutting it with an electric mower.

And never building a tree house close to power lines, where children could be seriously injured.

There are many other ways to practise electrical safety. And they all have one very important thing in common.

Common sense.

Think about it, please.

Mainstream Canada

Indexing: let's be consistent

By W. Roger Worth

To some people, the word indexing has to do with filing systems and the like. To others, it's one of the fingers that does the walking through Bell's vaunted yellow pages.

But to the federal government and bureaucrats in Ottawa, the word indexing conjures up visions of the sugar plum fairy dropping hundreds of millions of dollars on the nation's capital.

The reason: Ottawa is talking about dumping automatic indexation of basic personal income tax exemptions, a program started in 1974 to help Canadians deal with inflation.

Roger Worth is Director, Public Affairs, Canadian Federation of Independent Business.

Such a move would mean last year's personal income tax exemptions of \$2,650 for a single person and \$4,970 for a married couple would not rise.

The result: every taxpayer in the country would pay more money to Revenue Canada.

The change would allow the federal government to raise more badly needed cash, without having to blatantly "raise taxes."

With a federal deficit that may reach \$14 billion this year (that's about \$1,300 for every working Canadian), there may be some merit in the scheme.

But what about the other side of the coin. If Ottawa is so gung ho to cut income-tax indexing, why not be consistent and outlaw indexing altogether.

All federal government spending programs now indexed for inflation would not be increased, with the resulting political fallout. Members of Parliament, of course, might be upset if they had to forego automatic salary increases.

Obviously, they are not going to do this. So why not just raise the needed taxes through higher rates or other honest devices.

Indexing results in government profiting from inflation, a funny kind of taxation without representation.

Ask Alma

Dear Alma:

My mother-in-law thinks she's a great artist. We think her paintings are awful. Guess who inherits her every creation as soon as the paint dries? Consequently, we play musical pictures, putting them up when she's due for a visit, and taking them down when she leaves. This is ridiculous but she gets very hurt if we don't hang them up. What would you suggest? — T.I.H.

Dear T.I.H.:

Pat yourself on the back for caring about her feelings and hope she continues to give you notice when her arrival is imminent.

Dear Alma:

I am married to an insomniac who recently bought a large hot tub for late night, relaxing soaks. It has helped him sleep. When I clean in the morning, I usually find an empty cocktail glass next to the tub and I'm getting worried. I think his new habit is dangerous. He says I'm a spoilsport. I would appreciate some advice. — FRAN

Dear Fran:

You have just cause for worry. Both warm baths and alcoholic beverages are relaxing, but together they can be a lethal combination. Alcohol, or any drug, tends to exaggerate the effects of the warm water and could put the user to sleep — possibly forever. No doubt here. Hubby should hot tub with a buddy — preferably one who's cold sober.

Dear Alma:

I am the oldest child in the family with one little sister who is six. I am always being pushed by my parents to clean, babysit, cook, bake and do other things a housewife should do. I'm sick of it. I can't do the things a girl my age should do. — Troubled in Burleson, Tex.

Down Lindsay in 10 innings

Hustlers win 6-5 now have 11-3 record

LINDSAY — The Rockcliffe Hotel Hustlers, Minden's entry in the Tri County fastball league, took a two game lead atop the standings last Thursday evening when they downed the Lindsay New Royal Hotel 6-5 in 10 innings.

Brian Shaw led off the tenth with a double, went to third on a single by Rick Boucher and scored on a deep fly ball to right by Larry Kent. Winning pitcher for the Hustlers then weathered a determined Lindsay effort to post his eighth win of the season against no losses. Lindsay pulled their pitcher Dale Stinson and put in Pat O'Reilly who grounded to short. Steve Lytle then singled, Ian Page singled, Snell then struck out Larry Alldred before Glen Coombs singled to load the bases. The inning and game ended when leadoff batter Mike Hadley, the most dangerous hitter on the Lindsay squad grounded out to preserve the 6-5 Hustler win and put their league leading win-lost record at 11-3.

Minden opened the scoring in the first when Bernie Nicholls hit a homer, his 6th of the campaign. However, Hadley got this run back in the Lindsay first, reaching first on an error, stole second and scored on a single by Don Timms.

Minden regained the lead in the second inning, scoring three times on a leadoff bunt single by Dave Dollo, a double by Boucher, followed by a single by Kent. Bob Johnston drew a walk and then Nicholls drove in Boucher and Kent with a single to make the score 4-1. Larry Alldred singled in the bottom of the second for Lindsay and Hadley followed with a homer to cut the Hustler lead to 4-3.

Barry Shaw smashed a double to the fence in the fifth inning and scored on a single by Dollo to put the Hustlers ahead 5-3. However, Lindsay came back when Coombs singled and scored on a homer by John Lytle, tying the game. This led to the ten inning thriller that had fans sitting on the edge of their seats.

Jack Snell picked up the win, giving up five runs on 18 hits and struck out 11 in running his record to 8-0. Stinson suffered the loss, yielding six runs on 14 hits, walked two and fanned nine Hustlers.

On Wednesday evening in Minden, the Hustlers

tackled their toughest opposition, the Lindsay Billings Mercury Juniors. Lindsay held a 2-1 lead in games and were breathing down the Hustlers backs in standings. Lindsay was in second place, just one game behind the Hustlers and held a game in hand. However the home team was not going to be denied this game after a thrashing the week before and won 4-1.

The score was 1-0 Lindsay until the fifth inning when pitcher Jeff Hutton fanned batter Brian Mulholland and gave up a disputed homer to Dwight Sisson. Hutton felt that the ball had not gone over the fence but through a hole in the top, however both umpires agreed and Hutton was tossed out for continuing to argue and for abusive language. In came relief pitcher J. Campbell and the Hustlers went to work on him collecting three more hits and four walks to go up 4-1 which became the winning score.

Craig Stamp, now 3-3 on the season, picked up the win, yielding one run on two hits, walked two and struck out 11. Campbell combined with Hutton to give Minden four runs on seven hits, walked four and fanned eight.

Minden meets the Woodville Merchants tonight at 8:00 and it should be a classic confrontation as in two earlier meetings this year they traded 1-0 victories.

Gooderham man killed Friday

GOODERHAM — On July 4th at about 8 pm. on Highway 503 west of Tory Hill, a Gooderham man was killed when he entered onto the highway from an unassumed side of the road directly in front of an oncoming car.

Bert Alexander Madill, was driving a motorcycle at the time of his death and was hit by a car driven by 46 year old James A. MacDonald of Barrie.

Coroner at the scene of the fatality was Dr. Blair Pierce of Haliburton. No inquest will be held and Minden OPP report no charges laid. Mr. MacDonald suffered minor injuries in the mishap.

The investigation was conducted by OPP Corp. Stevens and PC Smith. Damages were set at \$3500—\$2000 to the car.

Get a good thing going.
 Yourself.

Notice of Aerial Spraying

As part of the Ministry of Natural Resources ongoing program to regenerate and protect our forests, the Forest Pest Management Institute in cooperation with the Ministry of Natural Resources will be spraying selected red pine plantations in this area. The spraying will be done using a nuclear polyhedrosis virus for control of the red-headed pine sawfly during the period of July 10, 1980 and July 22, 1980.

Further details about the program, including locations, are available from your district office of the Ministry of Natural Resources.

Jack Snell, Bernie Nicholls are keys to TC league title

MINDEN — The Rockcliffe Hotel "Hustlers" are sitting in first place this week in the Tri County Fastball league. Two of the main reasons why they occupy this lofty perch is due to two players who are having an outstanding season.

After 14 games of the regular season, the Hustlers have a two game lead thanks to their fine record of 11-3. Three-quarters of the victories have been chalked up by hurler Jack Snell, who after a sparkling 10 inning victory over the Lindsay New Royal

Hotel, in Lindsay last Thursday evening, brought his seasons record to eight wins with no defeats and a fine 1.62 earned run average. Snell has allowed 72 hits in the eight games he's pitched but only 13 of those runners made it to home plate. He has also fanned 39 batters and only issued four walks.

The other half of this duo is shortstop Bernie Nicholls. He presently leads the team in average .478, runs batted in with 24, home runs with seven and doubles with nine. Nicholls has pounded out 22 hits in 46 at bat and has also scored ten times to account for 31 of the teams total of 66 runs in their 14 games.

If the Hustlers are to remain in the hunt for the

league championship this year, which would be their first since joining the Tri County circuit, these two players will need to continue their outstanding efforts. The team have two tough games remaining on their schedule with Woodville and if they can split these, the title should be theirs, as the remaining games are against Bobcaygeon (2), Fenelon (1) and Lindsay Jrs. (1).

The game schedule is also in the Hustlers favour, as four of their six games will be played at home. So if you want to see some fine fastball, come out to the ball park Wednesday evening at 8:00 p.m. and support the Hustlers on their way to the champship.

CANADA COLUMN

By John Fisher of the Council for Canadian Unity

Conseil pour l'unité canadienne

When I visited Russia four years ago, I was intrigued by the number of hydrofoil ships I saw skimming over salt and fresh water.

Without the friction of ordinary boats, the hydrofoil can attain amazing speeds. Throughout Europe I saw them used as passenger boats, pleasure cruisers and as freight movers.

The Royal Canadian Navy built one at enormous cost and soon put it in moth balls. The excitement over the RCN hydrofoil aroused interest in the pioneering experiments conducted at Baddeck, Nova Scotia by Graham Bell and Casey

Baldwin. Baddeck was fifty years ahead of the rest of the world.

The HD-4 shortly after the end of World War I reached speeds of 70.86 miles per hour on Baddeck Bay. Canadian naval authorities almost ignored the experiments at Baddeck so RD-4 was like the Avro Arrow, killed before it had a chance. The HD-4 has been rotting on the shores of Baddeck Bay for almost six decades. Canada had a first and we didn't run with it.

John Fisher, Executive Vice President of the Council for Canadian Unity was Canada's Centennial Commissioner.

STANHOPE NOTES

by A. F. Stevenson

STANHOPE — Few people are fully aware of the demands that are sometimes made on volunteer fire fighters in a community such as Stanhope Township. For those who think it is simply a matter of dashing off to the scene of the fire to bring it under control it can be said that it is not always that easy.

Besides the occasions when incomplete directions prove to be a handicap, there are times when a road condition is such that the firemen have to carry pumps, hose or other equipment of a heavy nature for a considerable distance.

Such was the case on Sunday, June 29th, when a brush fire broke out on top of a hill at Crab Rapids (or Indian Portage) at the upper end of Hawk Lake.

About 20 of the volunteers responded to the alarm and while some of the men were left with the equipment at the landing the others loaded pumps, hoses, rakes and shovels into boats generously loaned by residents in the area and crossed the lake to the site of the blaze.

Having gotten ashore it was then necessary to climb a high hill again lugging the equipment with them, some of the men carrying pumps strapped to their back and the pumps were filled with five gallons of water for fine spraying the area.

It will be agreed that this is not too light a task, but the fire was brought under control and the return to the shore to board the boats was begun. At his point the heavy storm struck and because of the heavy rain and very rough condition of the lake it was decided to wait out the storm sitting out in the shore. Eventually the trip was resumed and the return was made to the firehall.

The firemen were extremely appreciative for the help given them by the residents in the area who made the boats available for the crossing, and to those who joined in the work of controlling the blaze. While all of this was going on, a stand by crew remained at the firehall where another call was received from someone in the Maple Lake area reporting a fire.

On responding to this call the men found nothing of any consequence, but had such been the case, they were in radio contact with the main group at Hawk Lake and firefighters could have been deployed as needed. One has to say "well done-again" to those truly community minded men who comprise the Stanhope Volunteer Fire Department, a volunteer department that was reborn to meet an emergency, by the men who came forward at a time of township emergency and enabled the department to continue to do a good job when the need arises.

The firemen are very gratified with the support the public has given to the two dances held recently. We are told that the proceeds from these affairs have helped the firemen to rebuild the association fund which is intended to enable the members to acquire those items which they consider helpful to their organization and to the community.

Most ratepayers will have received their tax bills and noted the increase for this year. It was council's intention to present a realistic budget and not resort to deficit budgeting, and this they have done. In an election year it is pleasing that council avoided the temptation to produce a lower tax rate by foisting off a deficit on an incoming council, a stunt often resorted to in public financing, but one which hides the true facts.

Speaking of an election year, we are only four

months away from the November municipal elections. Having watched the performance of the present council with some regularity, and also attended many County Council meetings, it is our opinion, for what it is worth, that the present council has functioned well, that Reeve Jim HARRISON and also Deputy Reeve Elgin STOUTER have given the affairs of the Township serious and conscientious attention. We do not know at the moment what their intentions are re: offering themselves again for election, should they decide to run again we suggest that the township would be well served by giving them an acclamation. Admittedly it is always possible to find fault with anyone, or to find something to criticize — particularly if fault finding is the only motive.

The present council has dealt with some very difficult situations and did so with the best regard for the interests of the Township of Stanhope. In any event it is to be hoped that any candidates for election to any position on council will be motivated only by considerations that are in the best interest of Stanhope.

It is certain that few will welcome an election that is based on past issues whose resurrection can only assure animosity and unproductive recrimination. The electors of Stanhope are entitled to the type of election campaign which has issues that are meant to be in the best interest of all of the Township. Only the ensuing months will tell if good sense and judgment are to prevail to help heal the wounds of the past.

The committee charged with the preparation of Stanhope Fun Days have come up with a two day program which should provide entertainment and activity for all. Each week from now on more details will appear in the papers so watch for them, and if you feel that you can help the committee in any way, Mrs. Ann Barker, Chairman of the Committee will be pleased to hear from you.

5 charged with taking a boat

HAWK LAKE — OPP have charged five persons with taking a vessel without owners consent, a criminal charge).

On July 6th a boat and motor owned by Gordon Smith of Oakville was taken by five persons at the Bg Hawk Landing, to go to their cottage.

Charged by police are Daniel O'Halloran 21 of Toronto, Ronald Perkins 21, Toronto, Betty Charlevoix 20 also of Toronto, Eugene Martin 34, and Linda Harvey both of Scarborough.

The boat and motor were valued at \$1500. PC Bill Clendenning.
